Great Meaningful Conversation StarterVon Ein KundeMy husband and I read and thoroughly enjoyed this book (and its companion "How To Be The Almost Perfect Husband") on our last road trip to the mountains. We took turns driving/reading out loud and the five hours in the car flew by. Some of the suggestions really got us talking and we felt more connected than we had in a long time. The result was a truly romantic and loving weekend!0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a gold mine for anyone in a relationship.Von Jennifer YoungJ. S. Salt does it again.
