Excellent basics for this subjectVon PigeonThis book is an excellent basic source for any individual wanting to learn about the awesome ministry that every Christian has the ability to do. I have seen amazing miraculous personality problems/habits/addictions change and complete physical healing in individuals who have received a little or a lot of

"deliverance" from demonic oppression. This is an absolute must read for any Christian who seeks to walk in the ministry and life-style that Jesus did, and all Christians can. I loved this book!

Kurzbeschreibung Many modern Christians are now agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start? This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection, addiction, lust, and more; and how to set free those whom the enemy has held captive.
