Umfassend und tiefgehendVon YvWer als Christ vor der Situation steht, nach Gottes Willen leben zu wollen, aber irgendwie den Zugang nicht zu finden, wenn alles nur so dahinpltschert und man sich mit Glaubensriten durch die Zeit

rettet, dann gibt dieses Buch den Schlüssel zum Durchgang. Es ist erstaunlich, wie es Andrew Wommack gelingt, durchaus schon mal gehörte Tatsachen so aus der Tiefe zu holen und so anschaulich und eindringlich vor Augen zu bringen, dass sie neu lebendig und auch einsichtig werden. Man will es sofort anwenden. Die Art des Autors, Gottes Wort so eindeutig, unverschiebbar, undiskutierbar und persönlich zu nehmen, steckt an und macht Lust auf mehr. Seine Art, Gottes Wort zu verstehen, hat in seinem Leben sichtbare Resultate hinterlassen - etwas, was ich und sicher viele Andere gerne hätten. In der Auslegung ist er konsistent, sorgfältig, umsichtig und glaubt eher Gottes Wort als unseren Umständen. Auch oftmals "wolkige" Begriffe wie Heiliger Geist, Gottes Stimme u.ä. kann er begreiflich umschreiben, so dass man mit diesen Erkenntnissen weiterarbeiten kann. Dieses Buch tritt an, im Leben angewendet zu werden - es ist die Ausarbeitung eines Mentors. Ich habe das Buch maximal kapitelweise lesen können, weil es sonst zu viel wird, "um dann doch nichts damit zu machen".

Kurzbeschreibung Most people have lost a sense of destiny, God's will for their lives. Many even believe you just can't know God's will that in His sovereignty, He will make it happen regardless of what you do. Too long this viewpoint has kept Christians from knowing the full potential He planned for them. But no more. God created you with a specific purpose, and the good news is, He wants you to find it. Just knowing God's will, however, isn't enough. You need to understand the part you play if you're going to follow it. You might be surprised to learn it involves following the desires of your heart. But before you set off, make sure you're able to distinguish His will from your own selfish desires. One of the most important lessons of all is that you can't fulfill God's will any way you want. His strength and timing, and your obedience and patience are just a few of the things it takes. This book explains all this and much more, including how Andrew found, has followed, and is fulfilling God's will for his life. This will help you on your way to doing just the same!
