Von Anonymous : How To Make A Silencer For A Mini-14 before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Make A Silencer For A Mini-14:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Info for those afraid of Gov't repercussionsVon Ein KundeAn author of unquestionable knowledge whose fear, if any, does not show. He's honest open and gives those looking for info a place to find it. There is so much fear today from the gov't

impunity to it's responsibility, it's nice to know there are still one or two who don't run and hide every time they are asked to show their knowledge. The Gov't has the 2nd Admendment on the run as they bend and hide behind their cowardess. Support the NRA and your 2nd Admendment rights....or you won't have any, any more.1 von 2 Kunden fanden die folgende Rezension hilfreich. THIS BOOK ROCKS!!!Von Ein KundeI have both read and used this book, and it is totally accurate. If you own a Mini-14, this is a must have!

KurzbeschreibungThe Ruger Mini-14 may be the ultimate plinker, hunting and survival rifle. If you already have the many accessories available for it, why not complete your collection with a do-it-yourself silencer? Here are step-by-step instructions to show you how to construct a tough, working silencer able to handle the high pressures generated by the Mini-14's .223 round. All BATF rules apply.KurzbeschreibungThe Ruger Mini-14 may be the ultimate plinker, hunting and survival rifle.
