Von Jesse Lyman Hurlbut : Hurlbut's Bible Lessons For Boys and Girls (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hurlbut's Bible Lessons For Boys and Girls (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not up to date anymore Von ({{}}) These bible lessons are easy to navigate and well written, however they are merely in monotonous Q+A style that is now no longer considered useful for teaching kids about the bible. They are also not based on the real bible but on Hurlbut's Bible Stories, which are adaptations of well known bible passages. You would

have to buy that book in addition to this one. On the whole, this is an interesting read but really not very useful.
