marketing techniques I have seen (especially in the Christian media arena) in my part of the country concerning this book portrayed this book as a book and not as a devotional guide that it really is. Therefore, I proceeded to read the book as a book until finding out that the book is a devotional. I was wondering why the chemistry seemed lacking as I read the first couple of chapters. When I began reading this book as a devotional book, the writings took new meaning and I was able to grasp some of the author's insights while the author left me more confused in other areas.0 von 0 Kunden fanden die folgende Rezension hilfreich. Hear God's Heartbeat Von Mary Jo Pierce This devotional became a two way conversation between myself and God. It has the potential to change forever your personal relationship with Him. It is a read and re-read... live it and read again.

Kurzbeschreibung I Am: The Unveiling of God is a breath of fresh air in the devotional literature market. Taken from true stories, these forty honest, wonderfully crafted insights will allow the reader to gaze upon the inexpressible beauty of God while discovering a personal connection to a God who desires to be our all in all. Each essay in turn explores a different facet of God and how it plays into our relationship with Him. Bite-sized chapters end with a candid prayer followed by questions to spur further meditation on an attribute of God. I Am is a rare gem that deserves to be on every reader's bookshelf. From the Trade Paperback edition. Kurzbeschreibung I Am: The Unveiling of God is a breath of fresh air in the devotional literature market.
