Jesus teaches in parables Von RhondaI found this book to be a tremendous source of comfort and guidance. Throughout the course of a busy day, we are bombarded with zillions of things that can test our patience and distract us from the principles taught in the Bible. This book offers a one page scenario and then provides a passage from the bible and the likely response of Jesus in that situation. A quick fix for the soul to keep us on the right track. I definitely recommend it. Easy reading.
