**Von Antony Cummins, Yoshie Minami : Iga and Koka Ninja Skills: The Secret Shinobi Scrolls of Chikamatsu Shigenori** before purchasing it in order to gage whether or not it would be worth my time, and all praised Iga and Koka Ninja Skills: The Secret Shinobi Scrolls of Chikamatsu Shigenori:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. True NinjutsuVon AntoniusIga Koga the core of the Ninja (or correctly the Shinobi Mono) Most people have the

impression that it's just a way of combat but really there are many other lessons to be learnt. Based on actual historic documents, Antony's book gives us an insight of true Ninjutsu and the way they thought. A must for all serious students of this art. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht. Von Steffen Reichel. Wieder eine Übersetzung von Antony Cummins durch Yoshie Minami. Dabei geht es um die Abhandlungen des Chikamatsu Shigenori, einem Japaner, der die Taktiken und Strategien der Kriegsführung untersuchte und zusammen trug, darunter dann auch Techniken und Einsatz der Ninja. Es ist nett zu lesen, wenn es auch nicht zwingend große Überraschungen gibt... trotzdem ist es gut und informativ.

**Kurzbeschreibung** A retainer of our domain, Renpeido Chikamatsu Hikonoshin Shigenori, each morning washed his face and hands, dressed himself in Hakama and prayed in front of the kamidana altar. His prayer was thus: Please afford me success in war. He kept to this routine all through his life. Through patient and scholarly detective work, Antony Cummins and the Historical Ninjutsu Research Team have unearthed a Shinobi treasure. The 18th-century military historian Chikamatsu recorded the oral traditions of the Ninja and passed on those skills in lectures he gave at his Renpeido school of war in Owari domain during the early 1700s. Chikamatsu wrote specifically about the Shinobi of Iga and Koka, regions from which warriors were hired all over the land in the days of war. The lost scrolls are filled with unknown Shinobi teachings, skills that include infiltration, assassination, explosives, magic and commando tactics, including an in depth commentary on Sun Tzu's famous 13th chapter, The Use of Spies.
