ber den Autor und weitere MitwirkendeJackie Castle looks for the extraordinary in every ordinary day that she experiences. She is the author of The White Road Chronicles a fantasy series, The Sentinel Archives for school-age readers, and newly released Madison Creek Bed Breakfast romance series. She has also published articles and short stories in numerous magazines. She's enjoyed many crazy adventures from working as a hairstylist, to her bravest quest: teaching children in daycare and elementary schools. Eventually, she settled down to a somewhat safer pursuit of being a Story-weaver. Now she lives in her comfortable Texas home where she spins marvelous tales and enjoys relaxing in the evenings with her husband Bob, their children and grandchild. Her favorite pastime, besides reading, is traipsing through her imaginary worlds in search of another story.
