Von Fred Kronen : In Search of Peace, An American Doctor in Sandinista Nicaragua (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised In Search of Peace, An American Doctor in Sandinista Nicaragua (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book, but make youe feel sad for the NicaraguansVon Rita Wienthis is one of the best books I read about Nicaragua. I

live partly in this country and many things are hard to understand, if you are not informed about the history. The contra war is a bad part of this and I was thinking how could this beautiful country have had improved if this had not happened to it.

Kurzbeschreibung This riveting book is the account of a young doctor working in Nicaragua during wartime. It tells the heartwarming story of his time in Nicaragua and the people he came to know. Filled with engrossing anecdotes and stories, this is a book one will not soon forget. Kurzbeschreibung This riveting book is the account of a young doctor working in Nicaragua during wartime.
