Von Henri J. M. Nouwen : In the Name of Jesus: Reflections on Christian Leadership before purchasing it in order to gage whether or not it would be worth my time, and all praised In the Name of Jesus: Reflections on Christian Leadership:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent resource for Christian LeadershipVon Ein KundeUsing the three temptations of Christ, Henri does a superb job of bringing the three temptations to everyday life. He answers important questions of today by addressing one central idea, identity. The strength of this book is in the three identity issues, "I am what I do" "I am what others say about me" and "I am what I control."Nouwen does a great job of shutting down cultural messages to focus upon one

point, our identity in Christ. A must read for anyone in Christian Leadership, especially those who teach others and desire to become relevant leaders for today. Even though this book is not the most theologically sound, the central idea is how to combat the cultural messages of America to become powerful, spectacular and relevant. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the top 5 books on ministry of all time. Von Kent A. Sanders I read this little book several years ago as part of a college class during the last semester before I graduated and entered full-time ministry. I enjoyed it then, but it was not until recently, when I picked it up again, that I was so incredibly moved by this author who seemed to understand so much about leadership than most of the big-name authors on leadership. "In the Name of Jesus" has had a major impact upon the way I view ministry. It is only 80 pages long and can easily be read in one sitting--you will do yourself a huge favor if you read and apply it. I name it among the top 5 books on ministry ever published. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Out of his own life Nouwen suggests a counter-cultural move Von Ein Kunde Henri Nouwen learned much from members of L'Arche, a community of severely disabled people in Canada. In this book he suggests, out of his own experience of life at L'Arche, a radically counter-cultural tactic: that to be like Jesus one must give one's power away, divest oneself of human privilege and status, and practice the downward mobility of Christ. His illustrations are moving and powerful, showing how his own attitudes and actions were changed as he put this living philosophy into action. This is a transformative book.

Kurzbeschreibung Henri Nouwen was a spiritual thinker with an unusual capacity to write about the life of Jesus and the love of God in ways that have inspired countless people to trust life more fully. Most widely read among the over 40 books Father Nouwen wrote is *In the Name of Jesus*. For a society that measures successful leadership in terms of the effectiveness of the individual, Father Nouwen offers a counter definition that is witnessed by a "communal and mutual experience." For Nouwen, leadership cannot function apart from the community. His wisdom is grounded in the foundation that we are a people "called." This beautiful guide to Christian Leadership is the rich fruit of Henri Nouwen's own journey as one of the most influential spiritual leaders of the 20th century.
