Von Nathan Seabrook : Infidels in the Garden of Mesopotamia - Introduction to High Threat Protection Operations in Hostile Environments: Introduction to High Threat Protection ... in Hostile Environments (English Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Infidels in the Garden of Mesopotamia - Introduction to High Threat Protection Operations in Hostile Environments: Introduction to High Threat Protection ... in Hostile Environments (English Edition)*:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ohne Schnigg SchnaggVon RoseDas Buch gibt einen guten Einblick in die verschiedenen Teilbereiche des Schutzes (i.B. Personenschutz im Sinne des Buchtitels). Ich kann es sehr empfehlen, da es nicht mit Schnigg-Schnagg beladen ist und dennoch wichtige Details erwähnt. Die Schreibweise ist gut verständlich, obschon Englisch nicht meine Muttersprache ist.

Kurzbeschreibung*Infidels in the Garden of Mesopotamia* is an extensive work that provides the reader with an insiders look into the world of high threat protection operations in hostile and semi permissive environments worldwide.**Kurzbeschreibung***Infidels in the Garden of Mesopotamia* is an extensive work that provides the reader with an insiders look into the world of high threat protection operations in hostile and semi permissive environments worldwide.
