gentlemen and accomplished writer. Mr. Lanning served in Vietnam with the 'Red Cathers' of the 199 Light Infantry. It is unfortunate that Lee Lanning did not have all the records about Lurps available to him at the time of his book because of Shelby Stanton. Stanton had many of the classified documents in his home and garage. See Jug Burkett's book, 'Stolen Valor. How the Vietnam Generation Was Robbed of its Heroes and its History.' Stanton robbed Mr. Lee Lanning from his complete research and in spite of that, Mr. Lee Lanning's book, 'Inside the LRRPs: Rangers in Vietnam' is the TOPS!0 von 0 Kunden fanden die folgende Rezension hilfreich. INSIDE THE LRRPS/RANGERS IN THE NAMVon Ein KundeI have read this book, and although it is not the best that I have read, I still enjoyed it very much. I don't know if Michael had a personal experience with the LRRP/RANGERS, but he still did an excellent job of depicting the things that many of our young RANGER boys went through. Roadrunner6 out

They operated in six-man teams deep within enemy territory, and were the eyes and ears of the units they served. This is their story--of perseverance under extreme hardship and uncommon bravery--and how they carried out the war's most hazardous missions.From the Paperback edition.KurzbeschreibungVietnam was a different kind of war, calling for a different kind of soldier.
