Von Daniel Domscheit-Berg : Inside WikiLeaks: My Time with Julian Assange at the World's Most Dangerous Website before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside WikiLeaks: My Time with Julian Assange at the World's Most Dangerous Website:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gutes Buch, Sprache falschVon meistgelesenSehr interessant, Schwerpunkt liegt bei Beschreibung der sozialen Interaktion zwischen den Wikileaks Grndern. Mr. Assange wird im Sinne einer paranoiden Persönlichkeitsstrung mit schizoiden Zgen beschrieben. Nach dieser Lektüre hat man dennoch einen guten Überblick über die Entwicklung der Plattform incl. wichtiger Hintergrundinformationen.Habs auf engl. bestellt, weil ich dachte, es wäre dann original. Jedoch: Der Autor ist Deutscher, also hab ich eine Übersetzung gekauft, was ich eigentlich vermeiden wollte...

KurzbeschreibungSince its launch in 2006, WikiLeaks has rapidly grown into the most powerful and influential whistleblowing organisation ever. Its status as a repository and publisher of leaked sensitive and confidential governmental, corporate, organisational or religious documents while preserving the anonymity and untraceability of its contributors, and the statements and behaviour of its leader Julian Assange have made WikiLeaks both daily front page news and a topic of enormous controversy.In an eye-opening account, Daniel Domscheit-Berg, who joined WikiLeaks in its early days and became its spokesman, reveals never-disclosed details about the inner workings of the organisation that has struck fear into governments and businesses worldwide and prompted the Pentagon to convene a 120-man investigative task force. He also provides a remarkably up-close portrait of Julian Assange himself.Under the pseudonym Daniel Schmitt, Domscheit-Berg was the effective No. 2 at WikiLeaks and its most public face after Assange. In this book, he tells the backstories of leaks ranging from the Church of Scientology and the Afghanistan and Iraq War logs to Cablegate, and reveals the evolution, finances and inner tensions of the whistleblower organisation, beginning with his first meeting with Assange in December 2007. He also describes what led to his September 2010 withdrawal from WikiLeaks, including his disenchantment with its lack of transparency, its abandonment of political neutrality, and Assange's increasing concentration of power. What has been made public so far about WikiLeaks is only a small fraction of the truth. With his insider knowledge, Domscheit-Berg is uniquely able to tell the full story.Pressestimmen"The most extraordinary revelation in Daniel Domscheit-Berg's book is how tiny the WikiLeaks operation has been from the beginning" (John Naughton The Independent)WerbetextAn inspiration behind the film The Fifth Estate, starring Benedict Cumberbatch, which examines the relationship between Julian Assange and the author, Daniel Domscheit-Berg.
