**Von Amit Dalot : Instant Axure RP Starter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Instant Axure RP Starter:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hilfreich.Von Christiane HarrisonDas Buch ist als Einfhruung fr Anfnger gut geeignet. Der Autor konzentriert sich auf das Wichtigste, ohne den Leser mit Spezialwissen und Details einzuschtern.Im ersten Teil werden die verschiedenen Bereiche der Programmoberflche ausfhrlich erlutert.Anschlieend folgen eine Reihe von bungen, um mit den Grundfunktionen vertraut zu werden.Zusammen mit den Tutorials auf der Axure-Homepage (bei denen zwar viel demonstriert, aber nicht immer so viel erklrt wird) hat man schon einmal eine recht gute Basis, um sich in Axure im wesentlichen zurechtzufinden.Sehr hilfreich fand ich auch die Tipps/Quellen, um sich zustzliche "Widgets" herunterzuladen.Einziges Manko: relativ hoher Preis fr das relativ dnne Buch. Es ist eben ein Fachbuch fr ein

Spezialgebiet - dadurch kommt der Preis wohl zustande.
