**Von Vaughan Lowe : International Law (Clarendon Law Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised International Law (Clarendon Law Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. super!Von eternoEs gibt viele Buecher, die so geschrieben worden sind, dass man sie kaum fluessig lesen kann. Unser Professor hat dieses Buch besonders empfohlen, weil es leicht zu lesen ist. Dem kann ich nur zustimmen: Es ist sehr

leicht geschrieben und alles super verstaendlich dargestellt. Ich hre dieses Semester Public International Law I, fuer den Anfang und allgemeinen Ueberblick ist dieses Buch hervorragend geeignet. Vorsicht, wer viertiefende Informationen braucht, wird nur mit diesem Buch nicht auskommen. Aber wer Anfaenger ist, wird hiermit gut bedient. Ganz toll ist es, dass das Buch ueber zu kaufen gibt; denn in den normalen Buchhandlungen kann man es vergebens suchen. Es ist direkt von der Oxford University Press und in Deutschland nicht unbedingt zu finden. Von mir gibt es 5 Sterne, ich wuerde es jederzeit wieder kaufen.

Kurzbeschreibung International Law is both an introduction to the subject and a critical consideration of its central themes and debates. The opening chapters of the book explain how international law underpins the international political and economic system by establishing the basic principle of the independence of States, and their right to choose their own political, economic, and cultural systems. Subsequent chapters then focus on considerations that limit national freedom of choice (e.g. human rights, the interconnected global economy, the environment). Through the organizing concepts of territory, sovereignty, and jurisdiction the book shows how international law seeks to achieve an established set of principles according to which the power to make and enforce policies is distributed among States.

Pressestimmen "A superb pr cis of public international law principles." --William Park, Professor of Law, Boston University "[I] intend to place [International Law] on the recommended reading list for my course in public international law." -John F.
