comment on commentVon Ralph Kujawathe jay treaty was signed in 1794...it is easy to see how a mistake may be overlooked and the date of 1974 may creep into the text of such a voluminous work. In the light hereof I think the reader from Korea was unnecessarily harsh...editing mistakes are an everyday occurrence and the date was as easy as a

search in yahoo to verify.0 von 0 Kunden fanden die folgende Rezension hilfreich. A must on Public International LawVon Ein KundeThis book is one of several "must have" while doing a serious investigation on international law. This is the best way to start. It covers most of the aspects of international law, from Sources of Law to Space Law and International Environmental Law.0 von 5 Kunden fanden die folgende Rezension hilfreich. comprehensive, yet accurate????Von Ein KundeThere is a "serious" mistake in chapter related to the dispute settlements; the Jay Treaty was signed in 1794? Mr. Shaw?? don't think so. can I rely on any other historical dates in this book? not really.

KurzbeschreibungMalcolm Shaw's engaging and authoritative International Law has become the definitive textbook for instructors and students alike, in this increasingly popular field of academic study. The hallmark writing style provides a stimulating account, motivating students to explore the subject more fully, while maintaining detail and academic rigour. The analysis integrated in the textbook challenges students to develop critical thinking skills. The sixth edition is comprehensively updated throughout and is carefully constructed to reflect current teaching trends and course coverage. The International Court of Justice is now examined in a separate dedicated chapter and there is a new chapter on international criminal law. The detailed references and reliable, consistent commentary which distinguished previous editions remain, making this essential reading for all students of international law whether they be at undergraduate level, postgraduate level or professional lawyers.Pressestimmen"Written in a felicitous style, Shaw's book covers quite an extraordinary amount of material in 'nutshell' fashion, and is a boon to student (and practitioner) alike." American Journal of International Lawber das ProduktThe fifth edition of this leading text remains an authoritative and comprehensive introduction to the subject for students and practitioners alike. Latest developments in the field are incorporated, including a new chapter on Inter-state Courts and Tribunals as well as fully updated information on international laws and institutions.
