Von Paul Wilkinson : International Relations: A Very Short Introduction (Very Short Introductions) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Relations: A Very Short Introduction (Very Short Introductions):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Eine Fülle an Wissen auf kleinem Raum! Von ScotDieses Buch ist ein sehr guter Einstieg in "International Relations" wenn einem das Thema nicht völlig fremd ist, man aber auch noch längst kein Experte ist. Es ist logisch und ansprechend in verschiedene Bereiche aufgeteilt und verschafft einen guten Überblick über Themen wie: IGOs, NGOs, States, Non-States, Terrorism Studies und viele mehr. Es ist einfach und interessant zu lesen. Man kann es auch einfach mal zwischendurch zur Hand nehmen um etwas nachzulesen, da es nicht wie ein Roman geschrieben ist. Sehr empfehlenswert! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Super Von Luiz Augusto Soares MouraEs ist super! Ich bin sehr zufrieden. Danke für die Bereitschaft. Es ist wirklich neu. Besser als ich erwartet habe.

KurzbeschreibungOf undoubtable relevance today, in a post-9-11 world of growing political tension and unease, this Very Short Introduction covers the topics essential to an understanding of modern international relations. Paul Wilkinson explains the theories and the practice that underlie the subject, and investigates issues ranging from foreign policy, arms control, and terrorism, to the environment and world poverty. He examines the role of organizations such as the United Nations and the European Union, as well as the influence of ethnic and religious movements and terrorist groups which also play a role in shaping the way states and governments interact. This up-to-date book is required reading for those seeking a new perspective to help untangle and decipher international events. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable. PressestimmenSo has Browning succeeded in conveying to both academic and general readers some of the core issues and themes surrounding the term, international security? For me, I would say yes. * Klaus Dodds, e-international relations *KurzbeschreibungOf undoubtable relevance today, in a post-9-11 world of growing political tension and unease, this Very Short Introduction covers the topics essential to an understanding of modern international relations.
