Von Robert Elmer : Into the Flames (Young Underground Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Into the Flames (Young Underground Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A readerVon Ein KundeAfter reading the first two books in this series, A Way Through the Sea ,and Beyond the River, I was very excited about reading this book. Out of the ones that I have already read this was the most exciting, fantastic, yet real book that I have read so far. Trust me once you pick it up it's VERY hard to put it down, you'll LOVE this

book.

Kurzbeschreibung Twelve-year-old Peter and Elise Andersen have secretly taken on a risky new assignment delivering illegal newspapers for the Danish Underground! Bringing news of freedom and deliverance to the people of Denmark seems like the perfect way to help fight the Nazis until soldiers nearly sabotage their mission. Is class troublemaker Keld Poulsen spying on Peter and Elise? Will he report them to the Nazis? Armed with secret code names, Peter and Elise must elude Keld in spite of his threats. When the Nazis plot to raid newspaper headquarters, the twins rush to help their friends in the Underground but will they find themselves cornered by German soldiers?

Autorenkommentar Hang on to your hats! Perhaps more than any other book in the Young Underground series, this book is quite closely tied to actual events during World War 2. The bombing scene in particular is based minute-by-minute on events as they actually happened. In fact, I wrote many passages with an eyewitness account in one hand, so its quite real-to-life. Many children tell me this is one of their favorites of the entire series.
