BEST Von Nancy Tilitz I resent being forced by to write 21 words when I had a great interaction with the seller and

item. My evaluation of BEST should suffice.

Kurzbeschreibung With multitasking and more than a 100 other new features, iPhone 4.0 is a real treat, cooked up with Apple's traditional secret sauce of simplicity, intelligence, and whimsy. iPhone UK: The Missing Manual gives you a guided tour of everything the new iPhone has to offer, with lots of tips, tricks, and surprises. Learn how to make calls and play songs by voice control, take great photos, keep track of your schedule, and much more with complete step-by-step instructions and crystal-clear explanations by iPhone master David Pogue. Whether you have a brand-new iPhone, or want to update an earlier model with the iPhone 4.0 software, this beautiful full-colour book is the best, most objective resource available. Use it as a phone -- learn the basics as well as time-saving tricks and tips for contact searching, texting, and more. Treat it as an iPod -- master the ins and outs of iTunes, and listen to music, upload and view photos, and fill the iPhone with TV shows and films. Take the iPhone online -- make the most of your online experience to browse the Web, read and compose email, use social networks, or send photos and audio files. Go beyond the iPhone -- learn how to use the App Store, and how to multitask between your apps, organize them in folders, and read ebooks in iBooks. Unlock the full potential of your iPhone with the book that should have been in the box.

Synopsis The new iPhone 3G is here, and "New York Times" tech columnist David Pogue is on top of it with a thoroughly updated edition of "iPhone UK: The Missing Manual". With its faster downloads, touch-screen iPod, and best-ever mobile Web browser, the new affordable iPhone is packed with possibilities. But without an objective guide like this one, you'll never unlock all it can do for you. Each custom designed page in "iPhone: The Missing Manual" helps you accomplish specific tasks with complete step-by-step instructions for everything from scheduling to web browsing to watching videos. You'll learn how to: use the iPhone as a phone - get a guided tour of 3G's phone features and learn how much time you can save with things like Visual Voicemail, contact searching, and more; treat the iPhone as an iPod - listen to music, upload and view photos, and fill the iPhone with TV shows and movies; take the iPhone online - learn how to get online, use email, browse the Web, and use the GPS; and, go beyond the iPhone - discover how to use iPhone with iTunes, sync it with your calendar, and learn about The App Store where you can pick from hundreds of iPhone-friendly programs. Teeming with high-quality color graphics and filled with humor, tips, tricks, and surprises, "iPhone UK: The Missing Manual" quickly teaches you how to set up, accessorize, and troubleshoot your iPhone. Instead of fumbling around, take advantage of this device with the manual that should have been in the box. It's your call.
