read. However, this book has content and makes very interesting reading.

KurzbeschreibungThe Islamic State of Iraq and Syria (ISIS), also called Islamic State of Iraq and the Levant (ISIL) terrorized large swaths of Iraq during 2014 in its drive to establish an Islamic state ruled by strict shariah law in the Middle East. The militant group is made up of fundamentalist Sunni Muslims and was linked to al Qaeda. However, al Qaeda distanced itself from ISIS as it grew increasingly violent and intolerant even of Muslims. ISIS was formed in April 2013 and is active in both Iraq and Syria. Foreign jihadists compose the bulk of the organization, THE ROOTS OF ISIS ,leadership,The organizational structure of the organization, The goals of the organization AND their strategy
