Smith makes Biblical priciples relavent to today.Von Ein KundeIt's Time to Be Bold is an excellent read for anyone who wants to believe in and preach the Bible, but feels it is irrelvant to today. Through personal stories of his own and

those of his fans, Michael W. Smith creates word pictures never thought of before. You will see church as the best hang-out on earth and the Bible as awesome as any romance or action novel. The bottom line: Smith is real. He realizes that young Christians need to evangelize more than ever in today's society and that with a few basic rules you can do it. This is a must read and, believe it or not, even more inspiring than many of his songs!

Von Joe Conlon The book was about how to live your Christian life, and had many good pointers. It is good for Christians and non-Christians alike. I enjoyed this book because it helped me out in this difficult world we live in. Smith is an excellent Christian pop artist and the title is from one of his songs. He wants Christians to be bold in their life, and be able to stand up for what is right. It is important to hang out with Christian friends. I recommend this book for anybody who's remotely interested in strengthening their Christian values.

Von Ein Kunde This book has many spiritual messages for young and old alike. Based on some of Michael's own life experiences, he gives incredible first impressions about his experiences and touches the heart of the reader. You too will find it "It's Time To Be Bold" to stand up to face the challenges that life seems to present. Some of his experiences are near the same things I went through and can relate to. He really spoke what was on his heart and touches the reader.

Kurzbeschreibung Michael W. Smith has seen with clarity the spiritual poverty and emotional numbness of teens who are out of touch with God's love. He writes, "Somewhere along the way, I had forgotten what the real world was like. But something was starting to break inside of me. God began to renew a heart of compassion for the lost. From then on, I decided that if God was opening a door for me, I wasn't going to waste any time making up my mind about entering it." It's Time to Be Bold is a call to commitment for all believers, a personal and heartfelt cry rallying youth to follow Christ's example. Drawing from events in his own life, Michael dicusses with relevance the essential issues of living out extreme faith. Topics include: The importance of Christian friends Standing stong against Satan's attacks Using crises as stepping stones to deeper faith Getting into the Word and growing in a lifestyle of prayer
