Von Julie Summers : Jambusters: The remarkable story which has inspired the ITV drama Home Fires (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jambusters: The remarkable story which has inspired the ITV drama Home Fires (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. brilliant book!
Von Amsil'm a huge fan of Julie Summers. After "The Colonel of Tamarkan", "Stranger in the House" and "When the Children came home" dealt with the lives of British POWs and the children sent to live in the country side during WWII, "Jambusters" now tells us the amazing story of how women kept the country running during the war. Full of anecdotes and at times funny stories this book about the role of the Women's Institutes never once becomes slow or boring. Summers is able to recreate the emotions and the very essence of that time in such a colourful way that the reader is totally gripped by the story.

KurzbeschreibungThe compelling true story that inspired the hugely successful major ITV drama series HOME FIRESnow in its second season. The Second World War was the WI's finest hour. The whole of its previous history - two decades of educating, entertaining and supporting women and campaigning on women's issues - culminated in the enormous collective responsibility felt by the members to 'do their bit' for Britain. With all the vigour, energy and enthusiasm at their disposal, a third of a million country women set out to make their lives and the lives of those around them more bearable in what they described as 'a period of insanity'. Through archive material and interviews with many WI members, Julie Summers takes us behind the scenes, revealing their nitty-gritty approach to the daily problems presented by the conflict. Jambusters is the fascinating story of how the Women's Institute pulled rural Britain through the war with pots of jam and a spirit of make-do-and-mend.
