Von Richard Bauckham : James (New Testament Readings) before purchasing it in order to gage whether or not it would be worth my time, and all praised James (New Testament Readings):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
WisdomVon Brian C. DavidsonRichard Bauckham's work is wonderful and quite useful. His approach to James is different than any other I have ever encountered. As a student, I found this book to be very beneficial. This is certainly, however, upper level reading. Bauckham does not try to impress thr reader with his vocabulary, but uses words that best convey his message to the reader. Though difficult to read, Bauckham gives numerous examples at each point and thereby allows the reader to leave the point with complete comprehension despite the difficult vocabulary. The message is wonderful, and arms the reader with a new vantage point from which to see the book of James. Baukham compares the book with other wisdom writings and is quite convincing in his arguments.

KurzbeschreibungRichard Bauckham explores the historical and literary contexts of the Epistle of James, discussing

the significance of James as the brother of Jesus and leader of the early Jerusalem church. He gives special attention to the aphorisms which encapsulate James' wisdom, and to the way that James' teaching closely resembles that of Jesus. Pressestimmen... "argue[d] passionately and persuasively... This book is a pleasure to read, and it offers us a challenging new reading of the epistle of James as a central expression of Christian faith, rather than an embarrassment or marginal aside."-Kim Paffenroth, "Religious Studies "This volume offers scholars and laity alike a fresh treatment of the major questions faces in the study of this small but very important New Testament writing."-Craig A. Evans, "Interpretation "It is refreshing to see a biblical scholar who is willing to address theological and social problems so explicitly in his work and who can do so in such a competent manner... this is an important contribution to the study of the letter of James and merits the attention of scholars working in the field... [It] will appeal to a wide variety of readers, from those in ministry to people with a general interest in biblical studiues."-Alicia Batten, "Religious Studies and TheologyKurzbeschreibungRichard Bauckham explores the historical and literary contexts of the Epistle of James, discussing the significance of James as the brother of Jesus and leader of the early Jerusalem church.
