Allen is an Oracle ACE and works a great deal in the user community through implementations and speaking at user groups including the Collaborate user conference. In addition to JD Edwards EnterpriseOne The Complete Reference, Allen has also coauthored JD Edwards OneWorld The Complete Reference, and JD Edwards OneWorld Xe: Object Management Workbench all published by McGraw-Hill. Joseph E. Miller has worked on more than 60 implementations of the EnterpriseOne/OneWorld product over the last 10 years. Michael Jacot is a senior principal consultant for Oracle Jd Edwards Consulting Services and has managed many different types of EnterpriseOne implementations. John A. Stern has participated in more than 30 EnterpriseOne implementations.
