Von Dodd, William Edward : Jefferson Davis before purchasing it in order to gage whether or not it would be worth my time, and all praised Jefferson Davis:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent book. Von Ein Kunde This was the best book I've ever read about Jefferson Davis!

Kurzbeschreibung Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Pressestimmen "A succinct and perceptive study of Davis ... [A member of] the first generation of Americans trained in professional historical methods, able to look on the Civil War with perspective, yet able to draw substantially from living memory, William Dodd produced a genuine classic." - Steven E. Woodworth -- Steven E. Woodworth
