Exceptionally valuable resource!Von Ein KundeI love browsing in this book, and when people ask me questions about how Jewish people have felt about the issue of Messiah, I reach for this volume! I love how David presents the many sides of each issue, letting the reader come to his own conclusions. The book is well-written, concise, thoughtful, and

well-balanced. :) It's one of the books in my library I refer to over and over-- whether I am speaking with believers or not. :) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great work in need of better kindle Index Von Kunde This is a great work, as others have already said here. But it would be even better if the kindle edition had a better index. Is there a possibility of adding one? Blessings, this is really an enriching work.

Kurzbeschreibung Drawing on years of research, Dr. Stern relates the New Testament text to the Tanakh (Old Testament), to the historical setting, to rabbinic materials and Christian theology. He answers questions Jewish people have about Yeshua, the New Testament, and Christianity; questions Christians have about Judaism and the Jewish roots of their faith; and questions Messianic Jews have about being both Jewish and Messianic.
