Von Aaron Halbert : Samsung Galaxy Note 4: The 100% Unofficial User Guide (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Samsung Galaxy Note 4: The 100% Unofficial User Guide (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super wenn auch in Englisch!Von D. SchmitzHabe mir den User Guide in der englischen Kindle-Version geholt. Ist echt super. Locker beschrieben und gut erklrt. Manchen erscheint der Guide vielleicht ein wenig zu amerikanisch aber er hat mir echt geholfen mich mit dem Note 4 zurecht zu finden. Fr totale Laien wie auch fr Android und Galaxy Note

Veteranen zu empfehlen (als Kindle nur ca. 4,-).Man sollte aber schon gut englisch verstehen da man sonst mehr Zeit auf bersetzungsseiten als mit dem eigentlichen Objekt der Begierde (den tollen Galaxy Note 4) verbringt.
