**Von Doug Giles : Sandy Hook Massacre (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sandy Hook Massacre (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 1 Kunden fanden die folgende Rezension hilfreich. endlich mal jemand der sich traut die Wahrheit zu sagen Von Uwe Stessel Leider in Deutschland absolut unblich geworden: Aus Angst vor öffentlicher "Hinrichtung" durch die Medien oder andere selbsternannte "Gutmenschen" traut sich keiner mehr die Wahrheit auszusprechen. Hier steht sie drin !Dieses Buch hier sollte Pflichtlektre sein für alle Hoplophobiker

und alle die schon vllig von der angeblich ffentlichen Meinung eingelullt sind.

Kurzbeschreibung "Doug Giles and his team over at ClashDaily.com cut through the crap to expose what have become modern day human slaughter houses: gun free zones. Their candid arguments about allowing teachers to protect themselves and the students in their care through concealed carry should be taken seriously. As a result maybe, just maybe, well be able to save some lives someday rather than call the cops to report the body count." - Katie Pavlich. News Editor, Townhall.com NYT's Best-selling Author, Fast and Furious: Barack Obama's Bloodiest Scandal and Its Shameless Cover-Up The book Sandy Hook Massacre: When Seconds Count Police Are Minutes Away is a compendium of columns that were originally penned by Doug Giles and the writers at ClashDaily.com after the avoidable massacre at Sandy Hook Elementary occurred in Newtown, Connecticut on December 14th, 2012. The book, as you will see, is laid out in chronological order. I chose to arrange it this way in order to show our response to the initial shooting and the victims, the deranged killer, the media melee and the creepy unconstitutional political overreach that this tragedy spawned. There are many lessons to be drawn from the awful Newtown, CT school shooting. Unfortunately, most of the media and political Left came up with the wrong ones. Not us over at ClashDaily.com, however. In the wake of this horror, we offer a robust defense of American citizens right to keep and bear arms and a common sense analysis of the actual answers to societal violence. This book is a significant resource for those interested in this vital, Constitutional issue.
