Von John Parker : SBS: The Inside Story of the Special Boat Service (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised SBS: The Inside Story of the Special Boat Service (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super

Buch - aufpassen bei dem Herausgabejahr... Von cheSuper Buch, sehr gut geschrieben. Ich habe mir die Ausgabe von 1997 bestellt, was zur Folge hat, dass gerade die Aktivitten der SBS nach dem Falkland Krieg sehr "angerissen" werden (aus Vertraulichkeit). Da sich das SBS aber gerade in den letzten Jahren sehr ndert, wrde ich nochmal nur die aktuellstes Ausgabe bestellen. Aber fr die Zeit vor dem Falklandkrieg, super Buch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut gemacht Von JBMythos zerstrt, es leber der Mythos. Es ist der Mensch der herausragt und nicht das Material. Es gibt nur drei Wege um gut zu sein: Training, Training, Training. Es gibt letztendlich kein Geheimnis, man muss nur besser sein als die anderen und mehr aushalten, also alles eine Frage des Verstandes und das wird hier aufgezeigt, weil das SBS immer wieder neue Dinge ausprobiert und entwickelt.

Kurzbeschreibung The men of the SBS are the maritime equivalent of their counterparts in the SAS; they are the elite of the British Special Forces and also the most secretive. Although SAS activity has been extensively documented, the SBS has remained in the state it prefers - a shadowy silhouette, with identities protected and missions kept from public view. Formed during the Second World War, when they took part in many daring raids (one of which was filmed as The Cockleshell Heroes), they were active in the jungle campaigns in the Far East, in the Falklands, the Gulf War and Bosnia. Since this seminal book was published in 1997, John Parker has been privy to much more inside information about the SBS's original operations and he brings the book right up to date with accounts of their exploits in East Timor, Somalia, Sierra Leone, Kosovo and most recently in Iraq.
