KurzbeschreibungFrom its earliest inhabitants up to the beginnings of Stewart rule, 'Scotland: A Very Peculiar History - Volume 1' is a lively and informative account of the chequered (or rather, 'tartaned') history of Scotland. Detailing grisly clan wars and the many mythical creatures to look out for while you're out in the wild, this ebook gives an objective account of the nation's history, with 'no added haggis'! Focussing on the more weird and wonderful aspects of Scottish history, such as forgotten towns and mysterious runes, it celebrates how Scotland came to be, and includes fact boxes, quotes, poetry excerpts and recipes you wouldn't believe!
