Von Jayne Askin : Search: A Handbook for Adoptees and Birthparents before purchasing it in order to gage whether or not it would be worth my time, and all praised Search: A Handbook for Adoptees and Birthparents:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent search toolVon Poohybear2@aol.comThis is a wonderful guide for searches. It takes you through your search step by step. "Search" also gives contact addresses for support groups, sample letters to send seeking

information the addresses to send those letters to during your search. I found it a very helpful book.

Kurzbeschreibung Now in its third edition, this widely acclaimed resource provides an honest and detailed guide for adoptees and their birthparents. It offers a wealth of ideas, advice, resources, and encouragement to anyone considering embarking on his or her own journey of discovery. Drawing from personal experience as well as from extensive research, author Jayne Askin presents creative ways to overcome obstacles and attack problems that occur during the search process. Pressestimmen "Whether medical, genetic, genealogical, or personal, the need to know one's family history can be especially strong for those adopted as children.... Search provides a detailed, step-by-step process for unearthing adoptions information." - Adoptees In Search Letter "We all leave a paper trail and Jayne Askin knows how to follow it." - FGS "An Impressively well-researched, fully informational guide." - Publisher's Weekly "Recommended for public libraries and social science collections." - Library Journal "This book is a must in any organization's library. If you are involved in a search, you should have one of your own." - June Tanner, Research Director, The Kansas City Adoptologist... "crammed with helpful strategies.... this guide is likely to diminish the amount of time searchers spend looking for sources, and will surely provide support throughout the process." - Kirkus s "We all leave a paper trail and Jayne Askin knows how to follow it." - FGS "An Impressively well-researched, fully informational guide." - Publisher's Weekly "Recommended for public libraries and social science collections." - Library Journal "This book is a must in any organization's library.
