Von Jerry B. Jenkins, Tim LaHaye : Second Chance: 2 (Left Behind: The Kids) before purchasing it in order to gage whether or not it would be worth my time, and all praised Second Chance: 2 (Left Behind: The Kids):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Second

ChanceVon Ein KundeI thought Second Chance was a great book. It makes me think a lot more about the Rapture and how awful things will be- disasters, more crime, loneliness. The main characters, Judd, Vicki, Lionel, and Ryan, have all come from Christian homes where all their families were Christians and raptured. I found that the way this book was written made it easy to read. This was a great book because it wasn't boring or difficult to read and it made me think a lot more about my relationship with Christ.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Continually Scary StoryVon Ein KundeTim Lahaye's and Jerry Jenkins' "Left Behind" series is a continually scary story. It has a similar theme as that of a book by Jerry Furland titled, "Transfer: The end of the beginning". Although "Left Behind" and "Transfer" are both entertaining fiction, the Furland book is more credible technically. Its story includes things that are already beginning to happen in the world today, like "smart cards", and governments being able to know everything about a person's habits, health information, etc. - things that we thought were supposed to be confidential.0 von 0 Kunden fanden die folgende Rezension hilfreich. Second ChanceVon Ein KundeIf you're a person who likes action and surprises in a book, then Second Chance is for you. Jerry B.Jenkins has written a book in which good people disappear leaving the bad people behind. I really liked this book because there is a lot of shocking surprises that occur. There is four different characters, and the book discusses all of their points of view. They all have there own problems they need to take care of. I recomend this book and its sequels for good action and thoughtful writing.

KurzbeschreibungThis series is based on the best-selling adult Left Behind series. Readers will see the Rapture and Tribulation through the eyes of four kids who have been left behind..dePicking up where The Vanishings left off, Second Chance is just that: at the close of book one, Judd, Vicki, Lionel, and Ryan met up at New Hope Village Church and got the Good News from now-humbled pastor Bruce Barnes (who, despite his degree from Bible college, got left behind after the Rapture for failing to receive Christ, just like the kids). Lionel, nixed by the Messiah on a technicality in book one, jumps at the chance to join the winning team, but the other kids are too angry and confused after watching their world get turned upside down. Book two follows their search for truth as they piece together the wreckage of the Rapture in each of their lives, knowing full well that the end of the world isn't far off--just seven years, according to Bruce, once Israel signs a treaty with the Antichrist. By the book's end, two more Left Behind kids wise up, but one holds out, still too scared and mad to sign on. The Evangelical Christian science fiction series Left Behind: The Kids is a youth-oriented story line based on Jerry B. Jenkins and Tim LaHaye's bestselling Left Behind. (Ages 9 to 12) --Paul HughesKurzbeschreibungThis series is based on the best-selling adult Left Behind series.
