Bloggers Help to Understand SEOVon Melody Taylor-FliegeVery helpful book for me to better understand social media marketing. Great for any small business person looking to market themselves on the internet. Easy read.

KurzbeschreibungSearch Engine Optimization is becoming more and more complex with every passing day. As a blogger you can't ignore all the new SEO rules that come out because 50 to 70 % of blog traffic comes from search engines. So, at the very least you need to know how to not get in trouble. This book is just about that.KurzbeschreibungSearch Engine Optimization is becoming more and more complex with every passing day.
