Von Marcelina Reed : Seven Clans of The Cherokee Society (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Seven Clans of The Cherokee Society (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 7 Clans of the CherokeeVon Rick YoungThis colorful, beautifully illustrated little booklet gives a delightful, brief insight into

the seven clans of the Cherokee and some interesting tidbits of historical information concerning the laws, customs and social organization of the tribe. There is also a suggested reading list in the back.

KurzbeschreibungA fascinating look into the traditional structure of Cherokee society of old. Given are clan names in Cherokee and English, descriptions of power animals of the clans, information on the matrilineal system, marriage, government and more. Published by Cherokee Publications Inc. a Native American owned and operated business that has been preserving Cherokee Culture since 1956.KurzbeschreibungA fascinating look into the traditional structure of Cherokee society of old.
