Von Sgt. Jack Coughlin, John R. Bruning : Shock Factor: American Snipers in the War on Terror before purchasing it in order to gage whether or not it would be worth my time, and all praised Shock Factor: American Snipers in the War on Terror:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Gute Verarbeitung eines TabuthemasVon Jean LuxdocDurch die realiste Berichte, mit guten Beispielen und Erklrunen fhrt der Autor an ein Tabuthema heran. In diesem Fall ist jedoch der positive Aspekt des Snipers dargestellt, der durch den

Schockfaktor seinen Kampfgenossen hilft, ja vielleicht sogar manchmal auch dem Gegner, der von verlustreichen Schritten abgehalten wird. Also auch Schocktherapie, eine Ansicht die natrlich nicht jeder teilen muss. Ansonsten doch ganz informativ!

KurzbeschreibungFrom the author of the New York Times bestselling memoir Shooter, comes a riveting narrative of how snipers have changed the course of America's war on al Qaida in the Middle East and Africa. Retired Marine sniper Jack Coughlin (Shooter) and John Bruning pull back the curtain of secrecy to take an insider's look at the dark and misunderstood world of America's sniper force. Long considered the redheaded stepchildren of the infantry, snipers have been loathed by their fellow warriors, called "ten cent killers" by our media, and portrayed as unbalanced psychopaths by Hollywood. Coughlin and Bruning explore the lives and careers of some of America's most effective snipers during key missions, moments and campaigns in the War on Terror. Part page-turning thriller, part deeply human drama, Shock Factor takes you from the streets of the modern day "Stalingrad" of Ramadi to the skyscrapers of Baghdad as America's one-shot warriors fight desperate battles against all odds, find themselves at the heart of tense international incidents, stalk key enemy leaders, and discover horrific human rights abuses perpetrated by our own allies. Based on extensive interviews with snipers currently on active duty, Shock Factor's gripping accounts of harrowing combat, buried truths and secrets revealed could only be told by snipers to a trusted member of their own elite and cloistered brotherhood. Pressestimmen "Coughlin's exciting and gripping narratives will appeal to enthusiasts of dramatic war stories and popular military history." --"Library Journal" "Beyond the realistic depictions of urban combat, the book's strength is in its in-depth discussion of the elite snipers' weapons, training and tactics." --"Kirkus s" "[Coughlin], whose 2005 autobiography "Shooter" and subsequent sniper novels achieved best-seller status, returns to nonfiction with this insider account of American snipers fighting Islamist terrorism and the toll that their service takes on them." --"Pittsburgh Tribune " "Coughlin's exciting and gripping narratives will appeal to enthusiasts of dramatic war stories and popular military history." --"Library Journal" "Beyond the realistic depictions of urban combat, the book's strength is in its in-depth discussion of the elite snipers' weapons, training and tactics." --"Kirkus s" "[Coughlin], whose 2005 autobiography Shooter and subsequent sniper novels achieved best-seller status, returns to nonfiction with this insider account of American snipers fighting Islamist terrorism and the toll that their service takes on them.
