information Von Skippy I'm everything but a history and culture fan but Silver Lake is such a great place, I had to read this book. It was so interesting, I could barely put it aside.

Kurzbeschreibung Situated between Los Feliz and Echo Park a few miles from downtown Los Angeles, Silver Lake thrives as a perennially avant-garde and enchanting enclave. From mansion builders and movie stars to bohemians, visionaries and just plain folk, discover Silver Lake's illustrious past and a fantastic cast of characters sure to enrich contemporary experience and inform the past. Colorful anecdotes about early movie magnates William Selig and Mack Sennett and silent-screen idols Mabel Normand, Antonio Moreno and Roscoe "Fatty" Arbuckle flesh out these famous figures' lives in new and surprising ways. Other lesser-known but richly deserving stories about the area's pioneer families are shared perhaps for the first time. Authors Michael Locke and Vincent Brook present a rich tapestry of this unique urban oasis whose appeal seems only to grow.
