Von Jonathan Edwards : Sinners in the Hands of an Angry God (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sinners in the Hands of an Angry God (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A truly great sermon!Von scottI highly recomend reading this sermon about the reality of God's justice. Edwards does a great job of showing something churches don't want to touch- the righteous punishment of sin. It's all too easy to yell

"grace" and leave the room without remembering that God is not only loving and gracious, but also just. Although the sermon isn't modern, its message is timeless and I highly recommend buying this book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Timeless indeed! Von S. McIntyre If only the church would preach such messages! This message projects the truth of God to men....and a truth that is so often "softened and polluted" in today's world. This will humble the most proud...and if it won't then indeed nothing will! If you have never read this great sermon you are missing out on much! Get it! Grace and peace. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Zurück zum wahren Glauben Von David An Viele evangelikale verbreiten Glauben nach dem Prinzip Gott für dich ,your best life now. Dabei vergessen wir, wer wir wirklich sind. Sondern gefallene Menschen stehen wir in Feindschaft zu Gott. Daran erinnern uns die Puritaner und das zeigt die wahre Gnade Gottes

Kurzbeschreibung Chios Classics brings literatures greatest works back to life for new generations. All our books contain a linked table of contents. Jonathan Edwards was a prominent American theologian and philosopher in the 18th century. Edwards was known for his sermons, particularly Sinners in the Hands of an Angry God which was considered a classic during the colonial era. Thank you for considering purchasing my update of the most famous sermon ever preached on American soil, "Sinners in the Hands of an Angry God." The book comes with endorsements by such noted Reformed scholars as J.I. Packer, R.C. Sproul, Michael Horton, Sam Logan, and John Armstrong. This sermon will change forever the way you view your life, for our life is indeed in God's hands. Should we dare to live without the blood and righteousness of Jesus Christ applied to us by faith, those hands are angry hands and they are provoked by our sin. I have found that our culture, with its narcissistic emphasis on the here and now, has caused people to lose sight of the reality of pending eternity. But have you thought recently of the way it REALLY is with you? Have you thought about the eternity you must face at any moment. This book states the way it really is, causing you to think on the things that matter most. Don't live another day without stopping to consider your life before God. This book will encourage you to turn to Him through Jesus Christ today and know him not as an angry God but as a loving Father. If you want you read more, I commend my book to you. It will convey Jonathan Edwards' message of God's wrath but also God's rich mercy in language you can understand. I also invite you to Email me. I am open to personal dialogue concerning your spiritual state before God. Thanks for stopping by!
