erstaunliche Kenntnis der jüdischen Tradition und tiefen persönlichen Glauben verbindet. Der Leser wird mit hinein genommen in das Denken und Empfinden, das die jüdische Kultur zur Zeit Jesu geprägt hat. Dadurch entstehen neue Einsichten in die Bedeutung vom Handeln und Reden Jesu, die uns so sonst nicht zugänglich sind. Sehr bereichernd für jeden, der die tieferen Schichten biblischer Texte für seinen Glauben erschließen möchte. Leider bisher nicht auf Deutsch erhältlich.

Kurzbeschreibung A rare chance to know Jesus as his first disciples knew him. What would it be like to journey back to the first century and sit at the feet of Rabbi Jesus as one of his Jewish disciples? How would your understanding of the gospel have been shaped by the customs, beliefs, and traditions of the Jewish culture in which you lived? *Sitting at the Feet of Rabbi Jesus* takes you on a fascinating tour of the Jewish world of Jesus, offering inspirational insights that can transform your faith. Ann Spangler and Lois Tverberg paint powerful scenes from Jesus' ministry, immersing you in the prayers, feasts, history, culture, and customs that shaped Jesus and those who followed him. You will hear the parables as they must have sounded to first-century Jews, powerful and surprising. You will join the conversations that were already going on among the rabbis of his day. You will watch with new understanding as the events of his life unfold. And you will emerge with new excitement about the roots of your own Christian faith. *Sitting at the Feet of Rabbi Jesus* will change the way you read Scripture and deepen your understanding of the life of Jesus. It will also help you to adapt the rich prayers and customs you learn about to your own life, in ways that both respect and enrich your Christian faith. By looking at the Jewishness of Jesus, Ann Spangler and Lois Tverberg take you on a captivating journey into the heart of Judaism, one that is both balanced and insightful, helping you to better understand and appreciate your own faith.

Pressestimmen Last year over a million pilgrims visited the Holy Land. Few, however, would have learned as much about the historical Jesus as you can by reading this terrific new work by Spangler and Tverberg. Drawing upon personal experiences as well as the latest Jewish and Christian scholarship in Israel, the authors skillfully guide you on a wonderful journey into Jesus' first-century Jewish world---exploring his culture, his lifestyle as an itinerant sage, and his well-honed rabbinic teaching methods and subtle but startling messianic claims. This book makes you really eager to sit at the feet of Rabbi Jesus and learn from the One we joyously serve as both Messiah and Lord. I commend it to every follower of Jesus of Nazareth. * Dwight A. Pryor, Center for Judaic-Christian Studies * For disciples of Yeshua (Jesus) who know little about his Jewishness, including his rabbinic and Hebraic teaching style, *Sitting at the Feet of Rabbi Jesus* is the place for them to start. Spangler and Tverberg have created the perfect introduction for the uninitiated. This book will have a deep impact on the thinking of ordinary Christians through the world. * David Bivin, Author and editor, Jerusalem Perspective * If we could turn the clock back to the Jewish world of the first century, what would it be like to follow in the footsteps of Jesus the Jew? This highly readable work is rooted in rabbinic sources and reflects current gospel research. Spangler and Tverberg vibrantly introduce the reader to valuable aspects of the Jewish background, lifestyle, and teachings of the Rabbi from Galilee. Through their engaging personal style and reflective Judaic approach toward understanding biblical discipleship, Spangler and Tverberg have "hit a home run." The authors draw their readers in to learn at the feet of the Rabbi and leave them begging for more. * Marvin R. Wilson, PhD Ockenga professor of biblical studies Gordon College * Spangler and Tverberg, with the rigor of a scientist, the drama of a storyteller, and the passion of a disciple, present a stirring depiction of Jesus as a first-century Jewish teacher that will greatly benefit the scholar and the layperson alike. Supported with careful analysis of ancient sources and recent archaeological discovery, this study is a profound call to follow the Jesus of Scripture. * Ray Vander Laan, author and founder of That the World May Know Ministries
