book was cool!! Von Ein Kunde Okay. I have all of the CCHS books. All except NO DOUBT, duh! This book was good. It was about Leah, who had won the US Girl's contest in Missouri and is competing in California now. But at the airport, Miguel proposes to Leah. Leah tell him she'll let him know when she gets back from California. She has her own agenda. Melanie came with Leah on her trip, right after breaking up with Jesse. While Jesse is at home in Clearwater Crossing, Melanie has found several guys who remind her of him. Then she meets Brad. But there's something missing from her vacation. Could it be Jesse? Nicole has gone on the US Girl's trip with Leah, too. But she's driving everyone crazy with her weird outfits, trying to impress the judges, and trying to be a US Girl. She has to be a US Girl. God made Leah win so she could come to California so Nicole would be discovered... Right? Jenna has problems of her own. She broke a BIG promise to her older sister, Caitlin. And now Caitlin is angry because of nosy Jenna and her big mouth. Not to mention hurt. Jenna can't stand being in California while Caitlin hasn't forgiven her yet. WILL Caitlin forgive her for spilling the biggest secret of her life? The only way you can find out these answers is read SKIN DEEP. It's the best. 0 von 0 Kunden fanden die folgende Rezension hilfreich. every clearwater crossing book is awesome Von Ein Kunde Laura Peyton Roberts has a way with these books i can feel each characters pain, happiness, excitement, and other feelings. Skin Deep, Clearwater Crossing book #9 Von Ein Kunde I think that it was a good book that tells you you can't always have it all. The thing I like about this book is that it's realistic, because they all are different and have different personalities. Some of their parents are divorced and some parents are deceased, like many families in the real world.
