Von William W. Johnstone : Slaughter in the Ashes before purchasing it in order to gage whether or not it would be worth my time, and all praised Slaughter in the Ashes:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. DO

NOT READ NOVEL SYNOPSIS Von Ein Kunde Because it does not occur between the covers. Apparently, Bill changed his mind at the last second and do not have Ben Raines and his Rebels heading to Northern Maine. Instead they make it to New York City...meet up with some resistance fighters who are battling punks and thugs...etc and eventually clear the town. Then the Rebels head to the desert southwest to finish off the gangs headed by Ray Brown...who is a killer of animals...children and the elderly. In the end...justice is served...the way it should be in today's society. Two stars for the wrong synopsis...four for the story...equals three. Will continue to follow the Rebels to the end.

Kurzbeschreibung "From this moment on, we're all freedom fighters. Male or female, white, brown or black, we don't have much patience for anyone who won't pull his or her own weight or learn how to defend themselves. You can't hold on to liberty without working at it." --Ben Raines
Change Will Come After the apocalypse destroyed what was left of America, Rebel leader Ben Raines helped create the Tri-States. But no system is perfect: criminal gangs still roam the land, spreading havoc and violence. The punks, thugs and creeps have had a free hand for too long--especially in untamed Northern Maine, where a secret sect of underground cannibals threatens the new nation's freedom. It's time for them all to meet judge, jury. . .and executioner.
