**Von William W. Johnstone : Smoke from the Ashes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Smoke from the Ashes:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good actionVon Kevin M. CoxThis book is not the best in the series but you need to read it anyway. I have read it 3 times

already and I still enjoy it. It places the Rebels against a terrorist who believes himself a religious person. The Rebels once again take up arms and start kicking the ass off of lots of people. I think the general population shall like this addition to the series.

Kurzbeschreibung "I'd like to think I can make a change. Even if I have to back it up with gunpowder."--BEN RAINES Hell On Earth The devastating nuclear nightmare of the Great War brings civilization to the brink of destruction. Only Ben Raines and his tireless Rebels share the dream of rebuilding society out of the smoldering remains of America. . . The power-mad Middle Eastern terrorist, Khamasin, has already begun his bloodthirsty assault on America's southern tier. But an even deadlier threat lurks in the plague-ridden ruins of the country's once-great cities, where crazed, flesh-eating packs of starved mutants hunt fresh, human kill. Raines and his Rebels are in for the battle of their lives. But the do-or-die freedom fighters are willing to face Hell on Earth to strike a blow for America's survival.
