really enjoyed reading your book! 1 von 21 Kunden fanden die folgende Rezension hilfreich. Nicht geliefert Von Don Pedro Buch wurde nicht geliefert, habe dann aber den Kaufpreis zurückerstattet bekommen, als solches also nur Aufwand, aber kein Geldverlust. Das Buch habe ich mir zwischenzeitlich woanders besorgt, hatte mir allerdings doch mehr davon versprochen. Viele der dort erluterten Dinge gehen doch arg dicht an Trivialitäten heran oder werden aber Gebühr aus der ein oder anderen Richtung nochmal durchgekaut. Vieles ergibt sich durch den sprichwörtlichen gesunden Menschenverstand auch quasi von selbst. Nach dem Lesen läuft man jedenfalls nicht mit einem "Na wartet, jetzt manipuliere ich euch alle"-Grinsen auf dem Gesicht herum. Für das Geld hätte man sich auch ein netteres Buch zulegen können.
