Von Michael Hill : Social Policy in the Modern World: A Comparative Text before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Policy in the Modern World: A Comparative Text:

KundenrezensionenHilfreichste Kundenrezensionen

Kurzbeschreibung Written in a concise and accessible style by Michael Hill, this text provides a coherent, thematic account of social policy in the modern world. Takes a comparative approach, considering the ways in which different countries approach social policies. Discusses the applicability of comparative theory in social policy Examines individual policy areas, including social security, employment policy, health services, social care and education. Provides a comparative exploration of current issues in social policy, such as the implications of ageing societies and the impact of global forces. Written in a concise and accessible style by Michael Hill, who is also the author of Blackwells Understanding Social Policy, now in its seventh edition.
