Von Sam Davis Elliott : Soldier of Tennessee: General Alexander P. Stewart and the Civil War in the West: General Alexander P. Stewart and the Civil War in the West before purchasing it in order to gauge whether or not it would be worth my time, and all praised Soldier of Tennessee: General Alexander P. Stewart and the Civil War in the

West: General Alexander P. Stewart and the Civil War in the West:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A well researched look at the Civil War in the west. Von Ein KundeSam Elliott has brought to life an overlooked general from the Confederacy. As the highest ranking officer to serve the South from Tennessee, General Alexander P. Stewart was one of the few and lucky individuals to survive the entire western campaign. Soldier of Tennessee gives the reader a wonderful chronological look at the war in Tennessee and introduces us to one of the most respected men in the Southern army. Not only does Elliott present a thorough description of most of the western campaigns, but he is also able to capture the human struggle of a battered Confederate army. This is a must for any Civil War enthusiast.

KurzbeschreibungAs one of the few higher-ranking officers in the Army of Tennessee to avoid controversy, General Alexander P. Stewart (1821-1908) was an outstanding but not outrageous leader. Consequently, he has garnered little attention from historians. In this masterly biography, Sam Davis Elliott traces the life of this undeservedly obscure general from his early years at West Point through his involvement in nearly all of the battles fought by the Army of Tennessee to his postwar career as an educator and Civil War park commissioner. More than the story of one man, Soldier of Tennessee poignantly conveys the triumphs and failures of the Confederate effort in the West and a divided nations efforts at reconciliation. Pressestimmen"Elliott has given a fresh look at an often ignored but important figure. . . His book will undoubtedly become the definitive work on Stewart."
