The greatest love story ever written, the Song of Songs describes the emotional, unfolding story of the Bridegroom and His bride. Jeanne Guyon shows how the song of a young maiden, fervently in love with her suitor, becomes a powerful allegory of every believer's relationship with Christ depicted in the Song of Songs. Without any embarrassment for King Solomon's intimate portrayal of the lovers, she explores: The greatness of God's love
Finding God's favor in your life
Learning to rest in His presence
How trials can become blessings
True surrender to God's will in your life
Allow your heart to draw near to the heart of God on this journey to the Father's love
