China, when he read the Bible, he had no premeditated bias, and his insights are astounding. This book focuses on God's authority, his delegated authority, and why it is crucially important, for your own sake, to recognize His authority wherever it lies. It is a book for anyone who wants an extremely mature, humbled walk with God in a depth you can only now imagine. On a side note, don't plan on reading this in a weekend. The information contained within is so deep and profound I found myself stopping after every two paragraphs and meditating on what Nee said for a week. Next to the Bible, it is one of my two favorite books, (the other one being Neil T. Anderson's "Victory Over the Darkness"). Jesus' revelation be with you.0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding book Von jweber@dia.net "Spiritual Authority" should be required reading for all Christian disciples. If you read it expect for your toes to be stepped--well actually probably stomped would be a better word--a few times. This book teaches that God is God. We are His. To reject His authority in our lives is a sin. God works through delegated authorities on earth.0 von 0 Kunden fanden die folgende Rezension hilfreich. A VALUEABLE RESOURCE FOR SPIRITUAL LEADERS! Von Ein Kunde We use spiritual authority in our local churches as a key tool in the training of youth leaders. Watchman Nee played an important role in raising up the home church movement during the Communist revolution in China, and spend 20 years in prison for his Christian witness, and faithfulness to Christ. He is by far one of my favorite authors.

Kurzbeschreibung Authority is a tremendous thing in the universe, nothing overshadows it. Gods throne is established on His authority. Gods authority represents God Himself. God alone is authority in all things; all the authorities of the earth are instituted by God. It is therefore important for us who desire to serve God to know the authority of God. Gods authority is absolute, hence we must give Him absolute submission (our hearts attitude) and absolute obedience (our outward actions). But to His delegated authorities we can render absolute submission, but only relative obedience. For their authorities are circumscribed by the measure of the life of Christ in them. Only when they themselves submit to Gods authority in them are they able to represent God. Hence there is much we have to learn about how to represent God.
