Lots of interesting information and points to reflect uponVon Hoener, BirgitSome of what the authors discussed went straight over my head, I must admit. This may be caused by me being German and not having grown up with all of the different Christian groups/directions which exist in the U.S.A.I still found this a very interesting read, with a lot of points to reflect on, and a lot of more information I have learnt.I would recommend this read to any Christian

interested in furthering their knowledge, even be it only on how other nationalities view and interpret the Bible.0 von 0 Kunden fanden die folgende Rezension hilfreich. sehr gutes buchVon pearl Mverschiedene (sehr gute) autoren geben in diesem buch ihre berlegungen und denkanste in kurzen kapiteln weiter. so hat man bei bedarf immer einen kurzen aber sehr guten text ber den es sich lohnt nachzudenken bzw. echte augenffner im sinne von "so kann ich diese sache oder gott viel besser verstehen"... gerade fr geistlich interessierte sehr empfehlenswert und absolut nicht weltfremd!!0 von 0 Kunden fanden die folgende Rezension hilfreich.
