seeking direction in the area of spiritual mentoring. This book is extremely useful for any person interested in mentoring or any church that has a mentoring program. The book's strength is that it draws from much of church history—fresh ideas from the past are reshaped for the reader to enjoy today. The exposure to Augustine, John of the Cross, Julian of Norwich, and others are a great spring board to further delve into the hidden treasures of church tradition. Anderson and Reese's presentation of contemporary models of mentoring in the appendix are also extremely helpful for further study. This book is memorable because the authors approach spiritual direction with rich metaphors mixed with personal experiences. The three questions of who is God, who am I, and what am I doing with my life shape the Anderson-Reese model of spiritual mentoring. This book will greatly contribute to my ministry as a mentor and mentee because it taught me to listen more to God, to those under my spiritual care, and to those who are directing me.

Kurzbeschreibung Iron sharpens iron, and one person sharpens . . . another. (Proverbs 27:17) As we seek God together we come to know him more deeply. That's the idea behind Spiritual Mentoring. Spiritual mentoring is an ages-old practice that Keith Anderson and Randy Reese introduce in a way that fits life as we know it today. Spiritual mentoring is not only for pastors or saints. Mentors are ordinary Christians who are willing to enter into a faith relationship with another person who wants to grow. Likewise, those who are mentored are not seminary candidates but simply followers of Jesus who long for guidance in their spiritual journey. In this book Anderson and Reese show you how to mentor and be mentored as they introduce, chapter by chapter, the work of a different classical spiritual writer, including Augustine, Aelred of Rievaulx, John of the Cross, Julian of Norwich, Ignatius of Loyola, Teresa of Avila, Madame Jeanne Guyon. These writers offer timeless insights from centuries past, while Anderson and Reese help you put their teaching into practice today to grow closer to Jesus in the company of another believer. If you want to learn how to help younger Christians grow while stretching your own faith, or if you want to tap into the experience of a Christian friend who is farther along the road of faith, this is the book that will get you started.

"Read this excellent book to become a wiser mentor of others, and read it to know what kind of person will help you most to become a more intimate friend of God." --James M. Houston, from the foreword "There is a sweeping movement of God drawing Christian leaders toward intimacy with God. This book will especially help emerging spiritual mentors to become more proficient as they help others deepen their intimacy with God." --J. Robert Clinton, professor of leadership, Fuller Theological Seminary Keith R. Anderson is campus pastor and associate professor at Bethel College in St. Paul, Minnesota.
