Von Robin M. Van L. Maas, Gabriel Odonnell : Spiritual Traditions for the Contemporary Church before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spiritual Traditions for the Contemporary Church:

Kurzbeschreibung This volume offers a comprehensive intellectual and experiential introduction to Christian spirituality. It embraces spiritual traditions from the Patristic period to the present day. Part I, "The Roots of Contemporary Western Spirituality," covers spiritual types that have been fundamental in shaping spiritual practice. Part II, "Distinctive Spiritual Traditions," offers major introductory essays on spiritual traditions formed by such notable figures as Luther, Wesley, Ignatius, and John of the Cross, as well as ecclesiastical traditions such as Anglicanism. Part III, "The Feminine Dimension in Christian Spirituality," is devoted to Marian Spirituality, holy women, and feminism. Each of the fourteen chapters is followed by a practicum which enables readers to assimilate the practice prescribed into their own devotional life.
